

Do you have questions about autism insurance coverage in New York State? Are you aware of federal and state benefits that you and your family may be entitled to?

Parent to Parent of NYS & Eden II Diagnostic and Outreach Center

This information session will provide details about insurance coverage for autism as well as an overview of the diagnostic and ABA therapy programs for children with autism at the new Eden II Diagnostic and Outreach Center. We will also provide detailed information on federal and state benefits (Medicaid, Energy Assistance, Social Security, etc.) that you and your family may be entitled to.

**Tuesday, February 11, 2014
10 am - 12 pm
1050 Forest Hill Road
Staten Island, NY 10314**

***This workshop is free but registration is required.
Please contact 718-494-3462 by 2/6/14 to reserve your seat!***
